

# MARTEN TOXOPEUS

**Faculty of Engineering Technologies**  
**Laboratory of Design, Production and Management OPM**

Direction of Research: Product lifecycles, considering the complete chains of product lives and developing Impact Assessment Methods to apply the general LCA theory on other engineering Domains

#### PUBLICATIONS:

Toxopeus M.E, Koeijer B.L.A, Meij A.G.G.H, Cradle to Cradle: Effective Vision vs Efficient Practice, Proceeding of 22nd CIRP conference on lifecycle engineering, Elsevier, Procedia CIRP 29 (2015) pages 384-389.
